* *Noch nicht offizielle Tabellen, wo kleine Änderungen möglich sind*

Es gilt dasselbe Prinzip wie für die Tabelle über die Gehälter am 1.7.1997, mit dem wesentlichen Unterschied, daß die Erhöhung 3,3% beträgt. Um die Nachzahlungen zu errechnen, genügt es, die Erhöhung bis zum 31.12.1998 zu multiplizieren, denn höchstwahrscheinlich werden ab 1.1.1999 die neuen Gehälter ausbezahlt.
